

REPORT ON FOGSI REACH CME EVERY DROP COUNTS (PPH)

Organised by Guwahati O & G Society on 1.8.26 at Daaysco Oley Allo

We started the program with welcome address by GOGS Secretary Dr Asha Agarwal followed by video messages from Dr Bhaskar Pal, President FOGSI and VP incharge, Dr Priti Kumari.

First session started with lectures which were given by Dr Gitanjali Deka on Prediction and Prevention of PPH and Dr Poushali Sanyal spoke on Uterotonics, which was chaired by Dr Nilakshi Phukan Kumar, Dr Biva Goswami & Dr Chapala Patowary. It was very informative session with interaction from senior members of GOGS.

.Second session started with lecture on Surgical Management of post partum Hemorrhage which was deliberated by Dr Poushali Sanyal, followed by another talk given by Dr Neerupa Jodhani on EMOTIVE. This session was chaired by Dr Jagadish Prasad Mour, Dr Reeta Bhuyan & Dr Deepak Goenka. There was also Manyata Session which was taken by Dr Suchitra. All sessions were very fruitful. The audience PPH KAP survey link was shared for feedback which was followed by QUIZ and lastly vote of thanks was given by Dr Asha Agarwal General Secretary GOGS. The total number of participants were 42 all of them were given certificate of participation with 1 ICOG Point, the CME was also attended by PG's. Thanks to Emcure team for all logistics support and delicious food.
